Dear Hiring Manager,

I am pleased to write this letter of recommendation for Jami Lavin, who was employed with Group O for over 13 years. I have had the pleasure of working with Jami for 11 of her 13 years. In her time with us Jami consistently demonstrated the highest levels of professionalism and dedication.

Jami possesses an excellent work ethic. She is dependable, hardworking, and always willing to help where she is needed. One of the qualities that sets Jami apart is her drive to contribute to the success of her team. She readily embraced new tasks and her eagerness to grow has made her a valuable resource not only within her own role but across the broader team. Her commitment to quality was apparent in everything she did.

I highly recommend Jami as an addition to your company. I am confident that she will bring the same dedication, effort, and quality of work to her next role as she did during her many years with us.

Sincerely,
